

## **Life Quest USA, Inc.**

### **Job Specification:**

#### **Companion —**

Companions provide supervision and assistance to individuals with acquired brain injuries in a community setting with a variety of basic daily task and socialization activities. These include, but are not limited to: assisting with meal preparation, laundry, outings, transportation, shopping, and light housekeeping task. Activities must be consistent with the therapeutic goals set by the consumer's treatment team.

Companions must be able to work independently, must exhibit good written and oral communication skills, and be able to follow an established treatment plan for the consumer.

Companions are required to complete daily shift reports as required and must submit monthly reports and training resources (tests) for each consumer they service by the beginning of the next month of service.

All employees must have a valid Connecticut driver's license, as well as a clean driving record. All employees must also have access to a safe and reliable vehicle with proof of current registration and current insurance.

All employees must be able to lift 50 lbs or more several times a day if needed.
